Continuation of Substance of Interview including description of the general nature of what was discussed:

8/1/2005:

The Examiner called Ms. Arai to request that a copy of the international Search report indicated on the cover sheet of the Information Disclosure Statement filed 10/8/2003 be faxed to the Examiner since it did not appear to be in the application file. Ms. Arai indicated that there was no search report and a corrected copy of the previous submission would be faxed to the Examiner.

8/2/2005:

The Examiner called Mr. Arai to indicate that the application was almost in condition for allowance except that product-by-process claims 13-15 were not allowable. The Examiner requested, and received, authorization to cancel claims 13-15 by Examiner's Amendment.
